

Is your company resilient to future risks?

RISK MANAGEMENT Quality Assessment

COVID has learned us that we are all vulnerable to the unexpected, whether we talk about humans, politics or businesses...

RISK MANAGEMENT QUALITY ASSESSMENT

ONE RISK ADVISORY launches
a new opportunity to
evaluate Risk Management

TIME TO OPTIMIZE RISK MANAGEMENT

IN CONTROL ©

IN CONTROL© is the framework that ONE RISK ADVISORY uses to evaluate and benchmark a Risk Management process.

It helps to be future proof and brings you a step closer to a sustainable company.

Providing additional assurance to your stakeholders.

ONE RISK ADVISORY CAN HELP YOU

TIME FOR ONE RISK ADVISORY
IN CONTROL ©

- Did we identify all our risks and opportunities ?
- What level of risk can I afford ?
- How can I continuously monitor those risks ?
- Did we involve the right stakeholders ?
- Is the company sustainable for the future ?
- Is there enough transparency?
- Do I know which risks already materialized?
- Did management reveal all missed opportunities?
